

CERTIFICATE OF AWARD

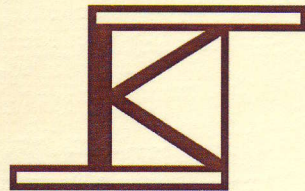

Register n° 102-1

The Plastic Window Systems Quality Group in the Plastic Materials Product Quality Association
„Gütegemeinschaft Kunststoff-Fenstersysteme im Qualitätsverband Kunststoffherzeugnisse e.V.“
has determined that the firm

Salamander Industrie-Produkte GmbH
Türkheim, Jakob-Sigle-Straße 58

fulfils the requirements and therefore awards it the

RAL-Mark of Quality
of the Gütegemeinschaft Kunststoff-Fenstersysteme
im Qualitätsverband Kunststoffherzeugnisse e.V.

recognised and copyrighted by the RAL (German Institute for Quality Assurance and Labelling) for the following main window system casements

Brüggmann

subject to testing according to Part 1, Section I of the Directive RAL-GZ 716/1

Produced in: **Papenburg**

The award of the right to bear and display the RAL-Mark of Quality is bound up with the obligation to uphold the RAL quality and test regulations in Section I of RAL-GZ 716/1. Production of the above products is subject to constant official quality control by a neutral testing institution.

Gütegemeinschaft Kunststoff-Fenstersysteme
im Qualitätsverband Kunststoffherzeugnisse e.V.

The Quality Committee

Bonn, 15th May 2007

A handwritten signature in blue ink, appearing to read 'Stefan Rüdiger', is written over the printed name of the Quality Committee.
